CONTINUATION AND PRIORITY DATA

Continuation in part of PCT/US02/23448 and entry into the national stage of
PCT/US02/23448, continuation in part of U.S. provisional applications 60/307,198 filed
on July 23, 2001, and 60/356,804 filed on February 13, 2002

**RESPONSE TO OFFICE ACTION OF February 21, 2007 within the 30 days specified
on the Notice of Mailing sent and attached hereto.**

Applicants believe the election was made and an explanation was made as to the
structure of the claims and that they read on Fig. 11A-11C which is Species XII.

In the response filed in or about May 22, 2006, the Applicants stated:

“In response to the Office Action of November 21, 2005, an election is made to
Species XII: Embodiment of Fig. 11A-11C.

The applicants believe that claims setting forth a genus covering this embodiment
are allowable, but have set out a species, and the claims have been narrowed and re-
written.”

Response, 5/22/2006 at page 1 in Image File Wrapper

Further on, the Applicants stated:

“The independent claims read on Species XII. Other details that read on features shown in other figures are presented in the dependent claims as suggested by the examiner.”

Response, 5/22/2006 at page 1 in Image File Wrapper.

Applicants re-state and adopt those statements again. Species XII is elected and the independent claims read on Species XII. Other details that read on features shown in other figures are presented in the dependent claims as suggested by the examiner. The application is believed to be in order for allowance.

Attached is the notice of mailing.

If any further extension is needed, petition is made for an extension, and the office is authorized to charge any fees to my deposit account 50-3153.

Respectfully,
